Using Donkey Car And ORB SLAM 3 to Map Racing Tracks 3/5/2026 Status

Jing, Matt, Xane, and Lavar

UC San Diego
JACOBS SCHOOL OF ENGINEERING

Status

- Reached out to Tawn Kramer, Donkey Sim creator.
  - Use Unity, but no instructional documentation
  - Poke around Discord
    - No replies
  - Found YouTube video to Create custom Donkey Car tracks: https://www.youtube.com/watch?v=dI-CaKepWIA

- Donkey Sim not working. Need to check out previous version.
  - Pip install version of Donkey Sim has Gymnasium bug (we fixed) among others
