Using Donkey Car And ORB SLAM 3 to Map Racing Tracks 3/12/2026 Status

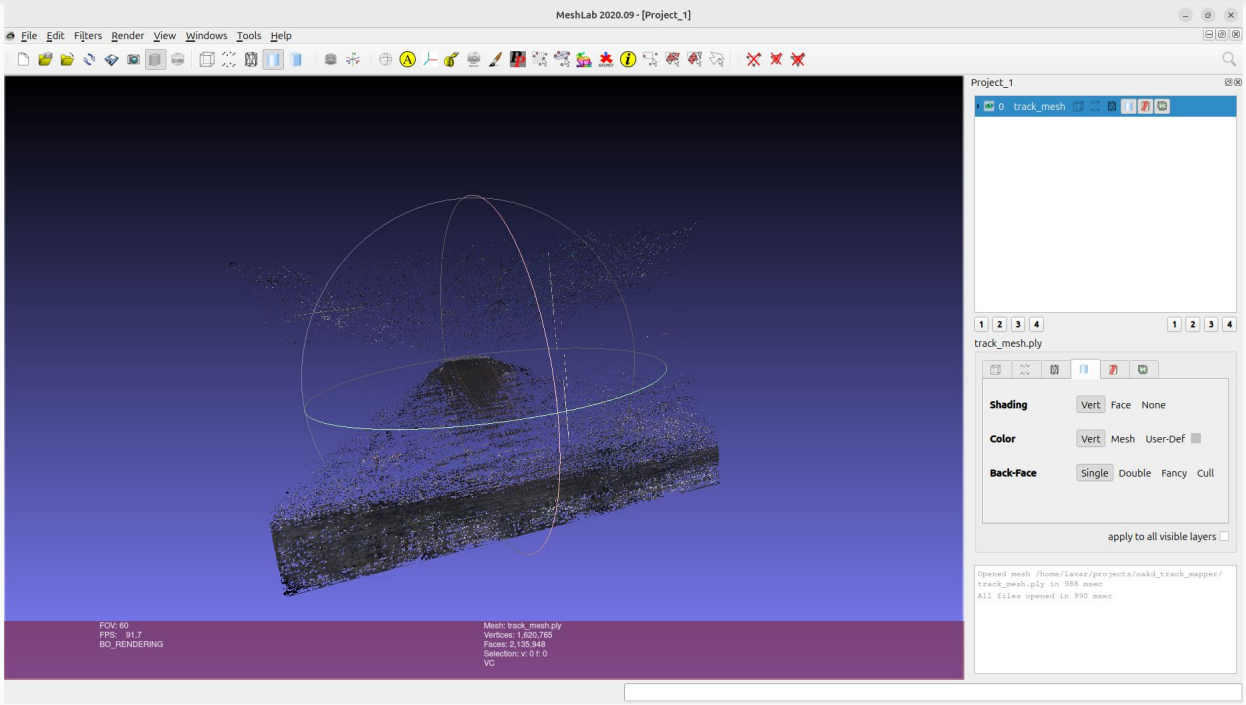
Jing, Matt, Xane, and Lavar

UC San Diego
JACOBS SCHOOL OF ENGINEERING

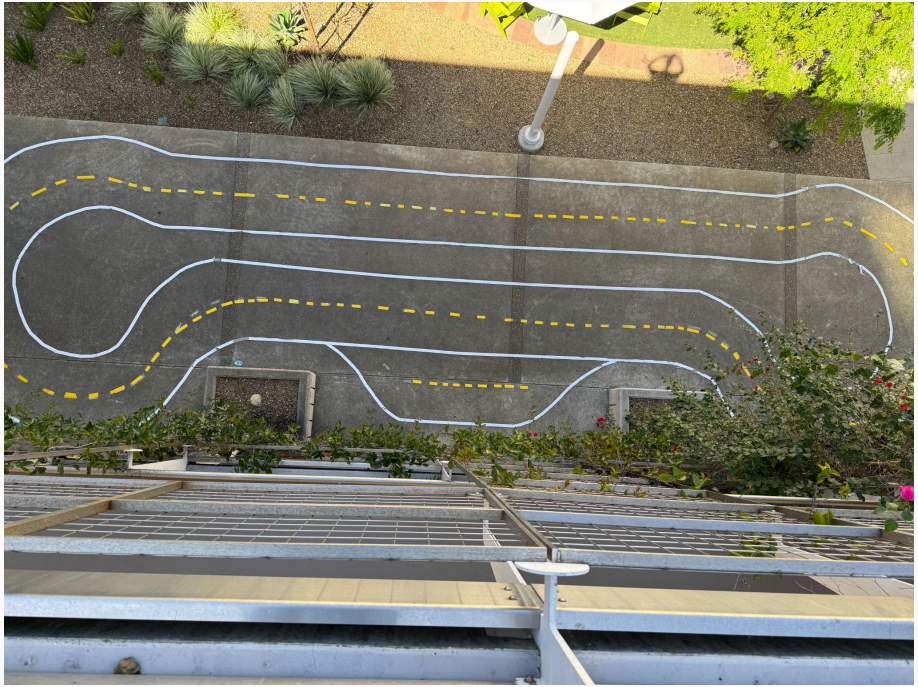
Status

- Got OAK-D Pro and tried mapping track using the camera.
- Mapping track with overhead photo → we have no variation in altitude
  - Must prevent warping → do as **true** of an overhead shot as possible.
- Emailed Maxime Ellerbach via Jack Silberman

Point Cloud Using OAK-D Pro



Track Photo



Timeline

Task	Start Date	End Date	Dependencies	Completion %
Create Track in Unity	3/6/2026	3/19/2026	Map EBU track	0
Documentation	2/13/2026	3/21/2026	Document as we go	0
